East Midlands Regional Trustee

Jean Hogg is our trustee and also often attends Network Meetings where she provides updates from the Third Age Trust and details of training and events etc.

Website – nottsu3anetwork.org

Peter Edge is the Administrator for the website which is full of information about the Network and current news. There are links to all the Network u3a websites under the 'u3as' tab. It is well worth recommending to all your members to go on the website regularly.

Retention & Recruitment Toolkit

This very informative and easy to use document has been produced by Paul Martinez on behalf of the Third Age Trust with support from various u3a Network members. It can be found on the Website nottsu3anetwork.org

You can access the whole document or just work through each module as and when required. It's useful for retaining and recruiting Committee members.

Newsbites

This publication is issued monthly and contains information sent in by each u3a. It also includes details of forthcoming training and events from the Third Age Trust. Each u3a is encouraged to submit articles for inclusion which can be sent to Jane Pavier by email on jane.newsbytes@gmail.com with Arial x 10pt font.

Why were PSGs set up

- Peer Support Groups were set up at the request of u3a members at various Network meetings in order to provide help, support, assistance and knowledge to new and longstanding Committee Members
- All PSGs are meeting by Zoom (if you need help with accessing Zoom, then please contact Margot Gale who can provide you with the name of someone who can assist)
- PSGs are all run by volunteers normally in that specific role
- Each group sets their own agenda and decides how regularly they wish to meet. This is dependent on the needs of each group.
- The Secretaries Group have set up their own WhatsApp group where members of the group can email with a particular question which is usually answered quite quickly so is a very useful resource in between meetings. Other PSGs are using Google groups for the same purpose.
- Some groups meet monthly, others less frequently
- Membership changes when volunteers step down from their role
- It is a good way of meeting others performing the same role and they can help by sending you information or directing you to who can help so you do not feel alone.

PLEASE ENCOURAGE YOUR COMMITTEE MEMBERS TO JOIN THE RELEVANT PEER SUPPORT GROUP, THEY WILL FIND IT VERY USEFUL
