

Support Officer Report, January – June 2018

Workshops and Peer Support Groups

- Successful Speaker Seeker PSG hosted by Southwell
- Workshop/PSG being explored for Social Media
- PSG being explored for Computing
- Philosophy PSG established
- Music, Book and Italian PSGs hosted by Keyworth but poorly attended (*is this because of poor or inadequate communication within the network?*)
- *Around 120 more subjects and committee roles haven't got and have never had a PSG.*

Events

- Team established for *Ageing Well* event in 2019

Newsbites

- Regular monthly publication but suspended for one month in June for lack of news items (*do we need to circulate Newsbites more widely to ensure it is as useful as possible?*)

New U3As

- Ruddington U3A is up and running
- Feedback has been gathered from local U3As and is planned for late Autumn launch
- *Planning New U3As* paper prepared for Network discussion

Website

- Peter Edge has produced some extremely useful updates on which Interest Groups are available at which U3As, and these updates are available on the website.

Paul Martinez, Support Officer, 26/06/18
