

NNNG - ROYAL REVELRY - 7 June 2016

Our eighth annual summer soiree was held at the John Fretwell Centre at Sookholme. It was a day long event to enable over 200 neighbours to celebrate the Queen's 90th birthday and we certainly did her Majesty proud.

Inside the large complex the nine U3As taking part set up their interest group tables and screens to demonstrate the wonderful range of talents we "golden oldies" have.

Outdoors we held two sessions of target bowls with a bottle of whiskey for the winner and the opportunity to try horse shoe tossing.

The indoor entertainment took the form of a very pleasant performance by a combined ukulele and choir group and there were two separate sessions from a newly formed upbeat swing along and sing along group which had the neighbours dancing in the aisles.

It was a warm day and many enjoyed a picnic at lunchtime with some neighbours enjoying a fair amount of liquid refreshment.

The afternoon finale was a cream tea held in the beautiful function suite with our nine tables of ten decorated with U3A group-created red white and blue flowers.

So – Happy Birthday Your Majesty from the North Notts Neighbourhood Group of U3As!

Rita Turner
