

NOTTINGHAMSHIRE NETWORK OF U3As

It was agreed at the Network meeting on 3rd April 2014 that the minutes of the Network meetings would be available on the Nottinghamshire Network Website when they have been approved at the next Network meeting. As this would mean a three or four month delay in information being available to members, it was also agreed that anything that was of immediate interest would be on the website as soon as possible after the meeting and available to Network contacts to pass to their committee and/or members.

Items arising from the meeting on 16 July 2014 are:

- A secretary for the Network is urgently required. Margaret Taylor will not stand for re-election at the AGM in October. The secretary need not be a current Network Representative. Please circulate the vacancy to all your members. Without a Secretary the Network will be unable to function satisfactorily. Margaret will assist the new secretary for a transitional period.
- The Development Team will support U3As which are already full and have waiting lists, as well as seeking potential new areas.
- If any of your U3A members could be interested in joining the Development Team, please contact Karen Taylor khighfieldtaylor@gmail.com. Help and training is available.
- Liz Wilson resigned as Regional Education and Development Officer at the Regional AGM in July. Her successor still has to be agreed.
- Some U3As still have not paid their Network Affiliation fee for 2013/14. Would all U3As please contact their own Treasurer to ensure this has been done.
- The Network Treasurer requests that all U3As forward to her the names and contact email addresses of their U3A's treasurer by the October AGM. Her email is rita.foulkes@gmail.com
- The Regional Trustee reminded members of the National AGM to be held 9/10 September in Cirencester.
- Please forward any photographs and items about any events to Peter Edge for the website. His email is peter.edge@ntlworld.com
- Peter Edge suggested that all U3As put a link to the Network on their websites and that the Network, Regional and National websites should be promoted to all their members.
